

To a very nice
girl who's a brain in
Biology - Good Luck always
Kathryn Hulland

Valerie,
I'm really glad
I got to make your acquaintance
at the desert on Mr. Sloan's
grand trip. It is not just
good because I like you. It's too
bad that this brief acquaintance can
not be continued as easily, but you'll
find many people who think the same
thing. Best luck now to future years.
It's possible our paths will meet
again anyway, so good-bye.

Julie
Dexter

Dear Valerie, I'm
glad that I had the
chance to meet a person
like you. You are one of the
sweetest girls around school.
I hope you will succeed
in what you do and in
your goals. Lots of luck in
the future and at the present
Sincerely yours,
Ann Stutz

Valerie,
It's been really great
knowing you and having
you as a friend. This year
we've learned a lot and have
grown to understand D.H.S. to
ourselves. I hope that as
these days pass you will
never forget me as a part
of your high school days.
Best wishes always,
Sandy Delpendang

My very best
wishes to a serious
student. Keep your
chin up and nothing
but happiness will
come your way.
Mildred Anderson

Valerie,
You are a real smart
science student. Best
of luck always.

Dear Valerie,
It sure has been great here
at Norte High hasn't it. It was
wonderful getting to know such a
wonderful girl. We didn't have
any classes this year, but we sure
had fun in Spanish that one year.
May you have the best of luck
in the future years.

Love,

You have always been one
of nicest people to know.
No person on earth could ask
for a better friend. Lab

change your excellent personality.

Good luck always,

HALCONADO '61 — To the graduates of '61, first in the annals of Duarte High School:

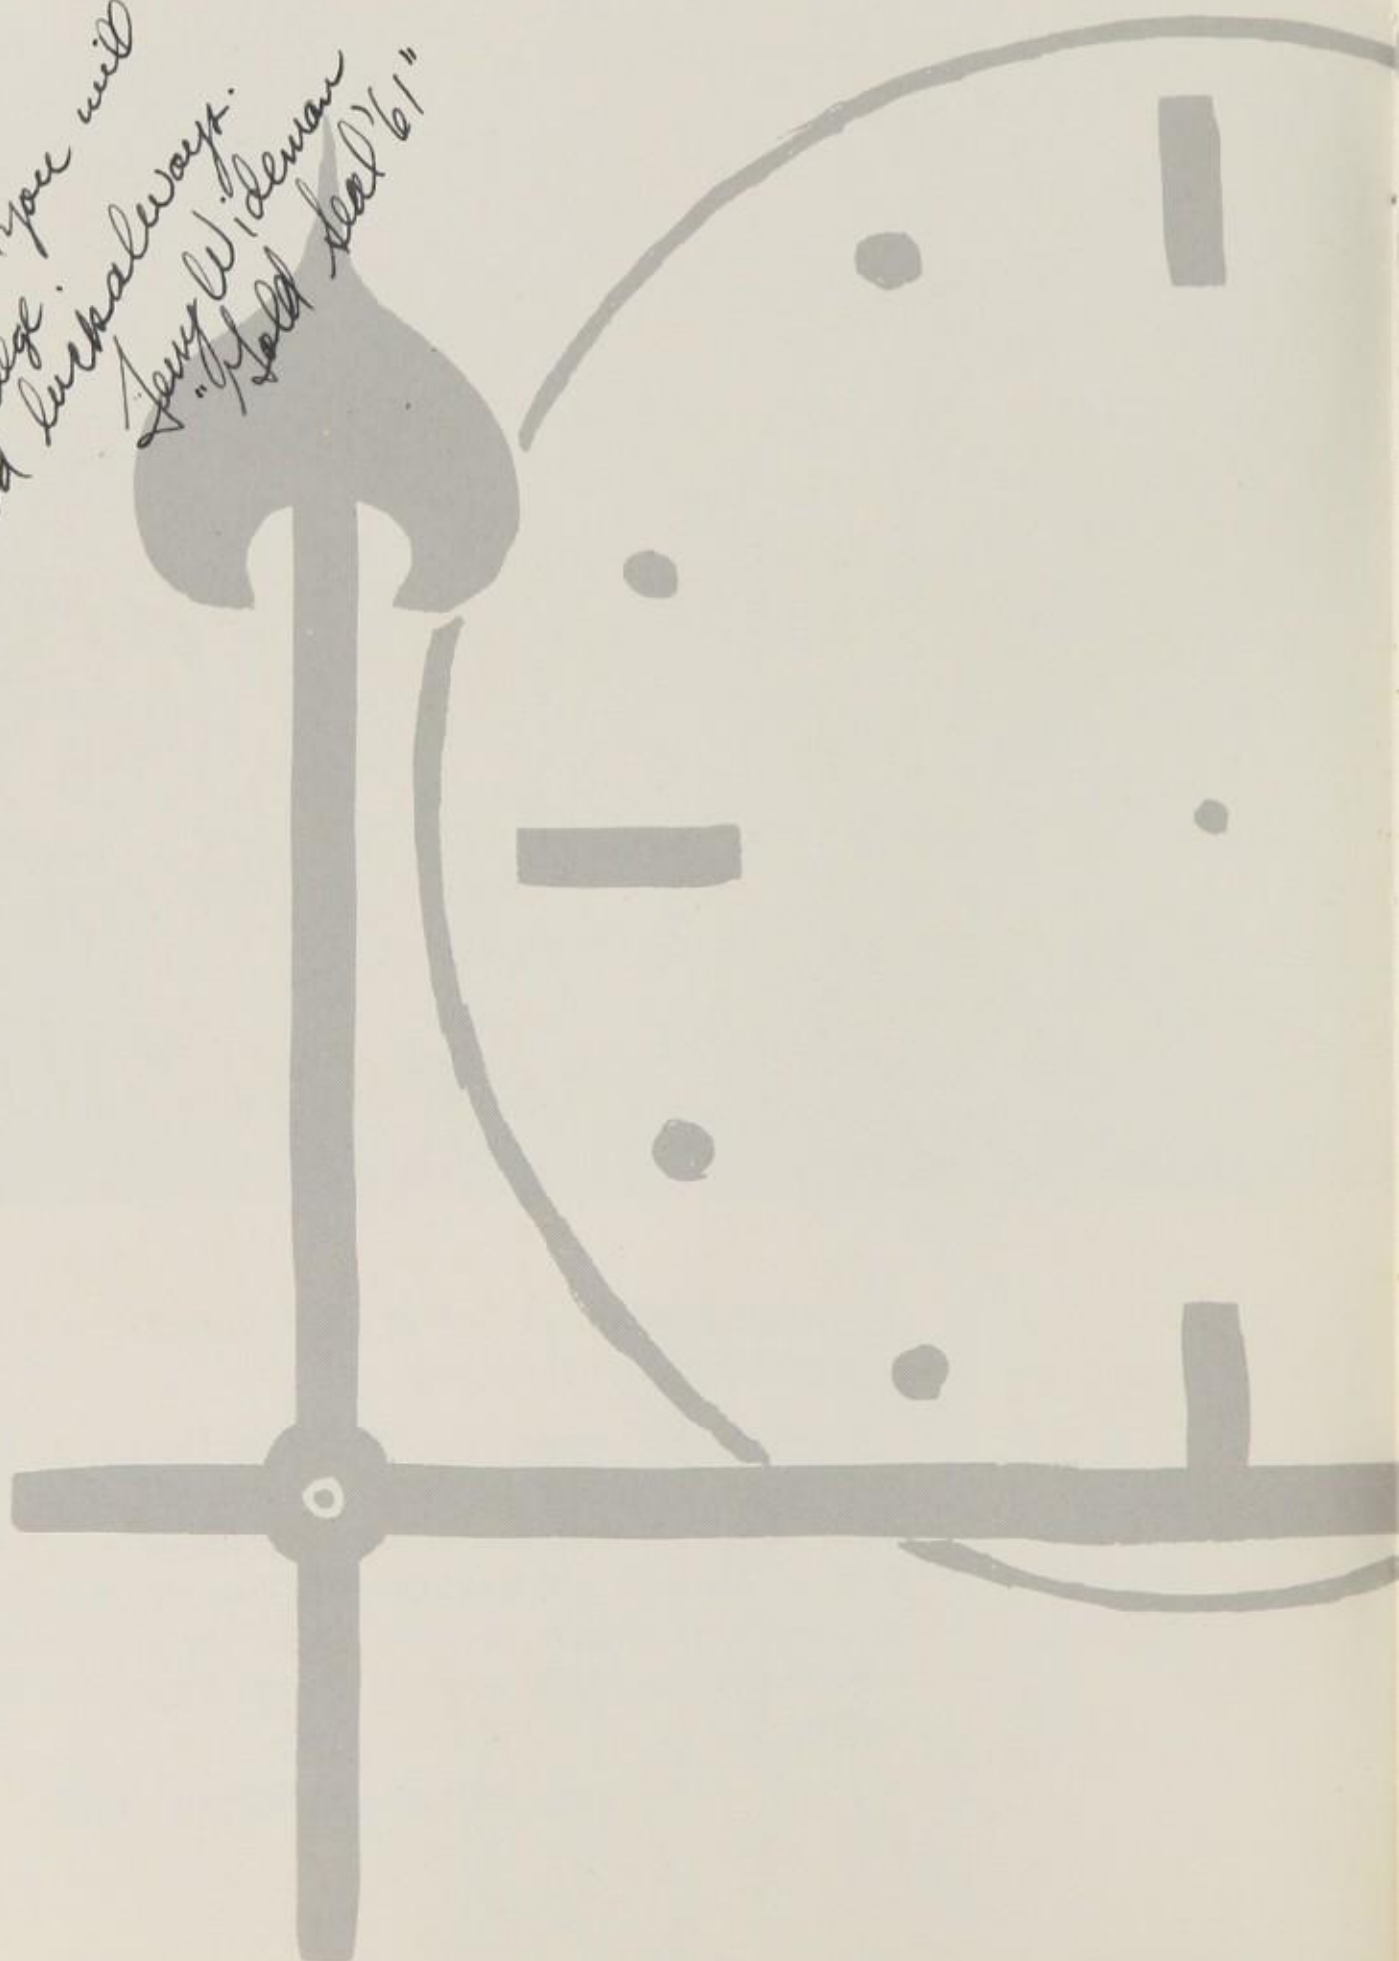

Since 1957 when these fledgling Falcons opened the doors and started our new school clocks running, they have ticked off many firsts: Falcon for mascot; turquoise and white - colors; D.A.L.S.; Block D; and **HALCONADO '58**. As the graduating Falcons fly away—to college, to work, to homes of their own—on wings strengthened by days spent at Duarte High, this dedication is to signify

WELL DONE AND GOD'S SPEED

Theme

A clock has been likened to many things—the tick of the clock to a heartbeat—measuring our lives, and well organized activity is said to have clockwork precision. HALCONADO likens a clock to a school. Just as the gears keep the wheels turning and the clock ticking, the teachers and the students of our school, working together, keep Duarte High running smoothly through this year and all the years to come.

Well I can't say many good things
about you because you lowered my
grade miserably in Biology. Oh
well some people have it and
some people don't. I know you will
be a big success in college.
Good luck always.

The important decisions made by our school board direct the course of our education and growth. They have many very important decisions to make during the year, such as securing new equipment, wrestling with problems of overcrowded classrooms, unification, and planning new buildings. This is the last year for the Monrovia-Duarte High School board, which has spent many hours voluntarily working for the benefit and improvement of the students and the school.

Student Government

Mr. White advises as the problems arise.

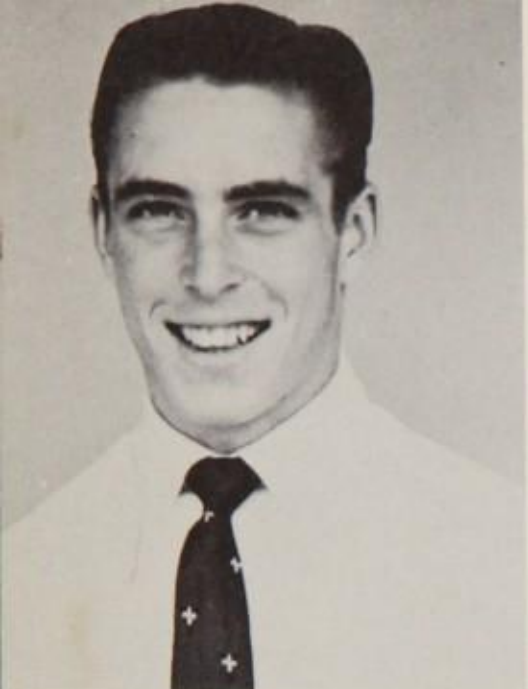

Larry Shelton, A.S.B. president, presided over assemblies, visited other schools, and headed the Student Representative Council. Other than the above responsibilities, Larry also correlates the various campus activities with Mr. Manning and Mr. White.

Conduct Committee

Row 1: Bill Melton, Carol Nostrame, Terry Walton. Row 2: Norm Anderson, Carole Norton, Anita Johnson, Irene Kittson.

This committee voted on the campus grade, student behavior, and the other aspects of citizenship, which resulted in our weekly "D" Day or the lack thereof. Always doing their best to help the students develop a sense of responsibility toward a clean campus, they performed a tough, thankless job fairly and conscientiously.

Election Committee

Left to right: Bob Badgwell, Dennis Cruise, Barbara Ridgeway, Ann Stuart, Linda Dickerman.

This organization co-ordinates all school elections, checks eligibility, and counts the ballots. They see that all aspects of the election are in order. They act on any questionable actions of the student body in regard to elections.

Publicity Committee

Mimi Moreno, Edith Smith, and Dennis Cruise.

Many thanks are due this committee for their hard and continuous work throughout the year. They are responsible for placing our school articles, events, the pictures in the local papers: the Duartean and the Monrovia News Post. Without this, there would be no efficient manner of informing the Duarte residents of the school's activities and special events.

Pep Committee

Row 1: Donna Blazier, Jan Bullington, Cathy Pitzer, Cheryl Bullington. Row 2: Joan Wunsch, Mike Chase, Sandy Delperdang.

The heads of the various organizations on campus make up this committee. They act in many ways to maintain a high sense of school spirit by co-ordinating the activities of our assemblies and the combined workings of the clubs participating in school functions.

Our first game against Bell Gardens, was a highlight of the year, because it was our first win.

The spirit jug, a tradition at Duarte High, is enthusiastically accepted by Larry Shelton, A.S.B. President, on behalf of the seniors.

Mr. MacAdam, Varsity Football Coach, speaks to the student body during one of our many pep rallies about school spirit and the work which the team has put into their many practices.

The Varsity Basketball team argues, but to no avail, during the Varsity vs. Faculty game. It was amusing to all, even though the Varsity GAVE the Faculty the win, 51-50.

Pat Ferguson and Buddy Reich seem to be having a good time at the first dance of the year. At this dance old friends met and talked over their summer activities.

danced to music provided by the Blue Notes.

"Sadie Hawkins goes Beatnik" was the theme of this dance. Even though leotards and shades did not abound, the entertainment was "cool."

Everybody agreed that the Christmas dance was a big success.

Royalty

Pretty Geri Whitely, a member of the Senior class, was chosen queen of the P.T.A. Membership Dance by the entire student body. Her court was elected by the three remaining classes. This dance will long be remembered as the start of a new tradition at Duarte High, for it is the first time a queen and princesses have been chosen by popular vote of the entire student body. Geri was crowned by A.S.B. President Larry Shelton.

Assemblies

All the students agreed that Gil Shelton presented one of the most enjoyable assemblies of the year.

Jan Hillhouse models the latest in parkas for Mr. Nutchuck direct from Alaska.

The chorus provided entertaining music for the parents at "Back-to-School Night."

About Our Campus

Pretty Carole Knudsen is no slouch, for she was chosen the winner of the G.A.A. Posture Contest.

Dodie Gaines, Shirley Geiger, and Cathy Pitzer were runners-up. Dodie was first runner-up, while Shirley and Cathy tied for second runner-up.

This scene is not an unusual one around Duarte High. Here students wait for the bell to ring before going to first period.

After a filling lunch, students hurry to their fourth period class.

After the day is over, students prepare to leave for home.

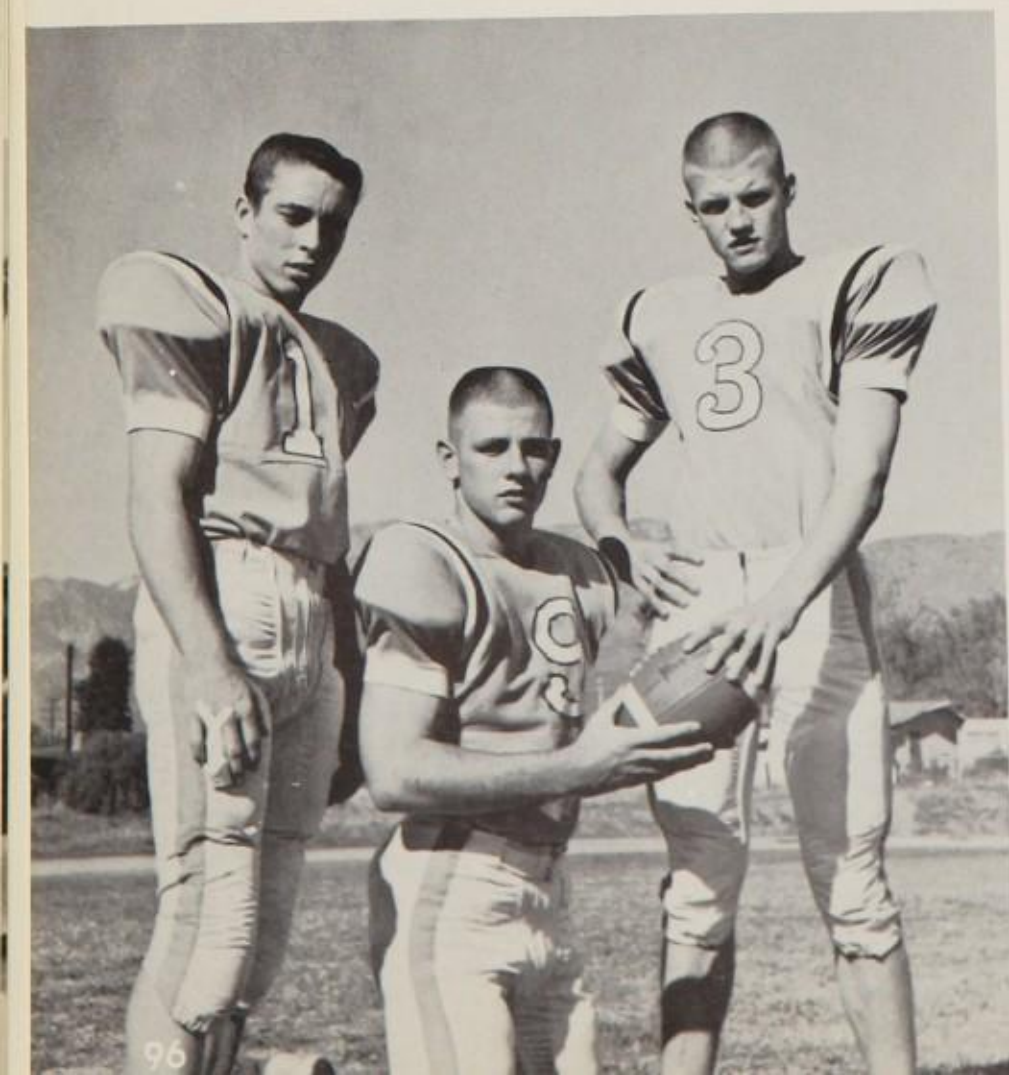

Coaches MacAdam and Waterman.

This year was a losing season for the Varsity team, but a winning season for our school in building spirit. The team had three major problems: lack of numbers; too many serious injuries; and too many critical errors at crucial times. Through the entire season each member of the squad worked hard, and each game was potentially within reach, as many of the scores proved. But there was something missing on key plays that was vital to our offensive.

The coaches expressed their pride at the team spirit that developed during the season. The team will have seven returning lettermen next year, and, with the prospective Bee's, Mr. McAdam expects a very good season next year.

The Bee's had a good season this year with a 4-2-1 record. Although they didn't win the championship, they were a strong contender for it. All season long they fought their opponents, and their hard practice paid off. They proved they were a top flight team when they knocked Los Altos out of the League Championship in the very last game of the season. The team did an outstanding job considering all of the injuries that the team suffered.

Student coaches, Bob Damewood and Chuck Banker assisted and were invaluable to the team as it prepared for each game.

The most successful team that Duarte fielded this season was the Cee team. This year ended in a tie for the Suburban League Championship with Pioneer, the team that beat them 6-0, in the last game of the season. This year we had an outstanding Cross Country team, but we lacked the numbers to really win. The competition this year was dominated by Bob Badgewell, who kept breaking the league record every time he ran. Bob's best time on an opponent's course was 8:16 at Charter Oak. The next week he ran a 8:03 mile and one-eighth on our course to amaze the coach and all who watched.

Due to injuries and sickness the team was forced to lose the last few meets. The boys all ran hard, and even Coach Baldwin ran with them at practice. A mile and one-eighth is a long way to run, but these boys did it with flying colors. Bob Badgewell is the only Senior and so the entire team will be back next year to improve its excellent record.

The boys all start out even. (Mayfair)

Coach Wilkinson

Varsity Basketball

This year the Varsity Basketball team had a good season, showing in every game that they had the potential to play championship ball. The beginning of the season was poor because we started off in the league with four straight losses. This did much to dampen the spirits of the team, but they pulled out of it and played superior ball the rest of the season. By the end of the season Duarte had beaten every team that was in any position for the league championship, and the whole league went topsy turvy after our team had got through with it. There were many close scores, but we came out with a seven win-seven loss record in the Suburban League. The team was led by Buddy Reich, who averaged over seventeen points per game, and by Chester Hickman, who, in the last game of the season against Pioneer, scored twenty-nine points. Coach Wilkinson was proud of the team's effort because the boys played hard and showed good sportsmanship.

Jim Ford goes through four defenders for the easy lay in and two points.

Larry Shelton comes down with the ball for an important rebound.

Leodis McHenry got the tip against other teams over eighty per-
cent of the time. Here he is jumping against Pioneer.

Buddy Reich used his jump shot to maintain his seventeen point
average. In this picture he uses his shot against Edgewood.

Captain Tom Bernat and Coach McAdam.

This year we put a new basketball team on the courts made up of those who were too big for Bee competition but not quite ready for the Varsity. This was the Junior Varsity team coached by Mr. MacAdam. It was his first coaching in the field of basketball. The J.V.'s surprised everyone by beating every team they played with the exception of Mayfair, who won the league championship. With only those two losses, the team put on a spectacular performance for all and wrapped up second place in the Suburban League in its very first year. Rick Pettit was high point man with a twelve-point average per game. With this year behind them, most of these boys will be returning next year to play Varsity ball.

Row 2: D. West, R. Bellettini, C. Eutsler, B. Moats, J. Beam, S. Rogers, M. Simer, R. Swain, T. Mays.

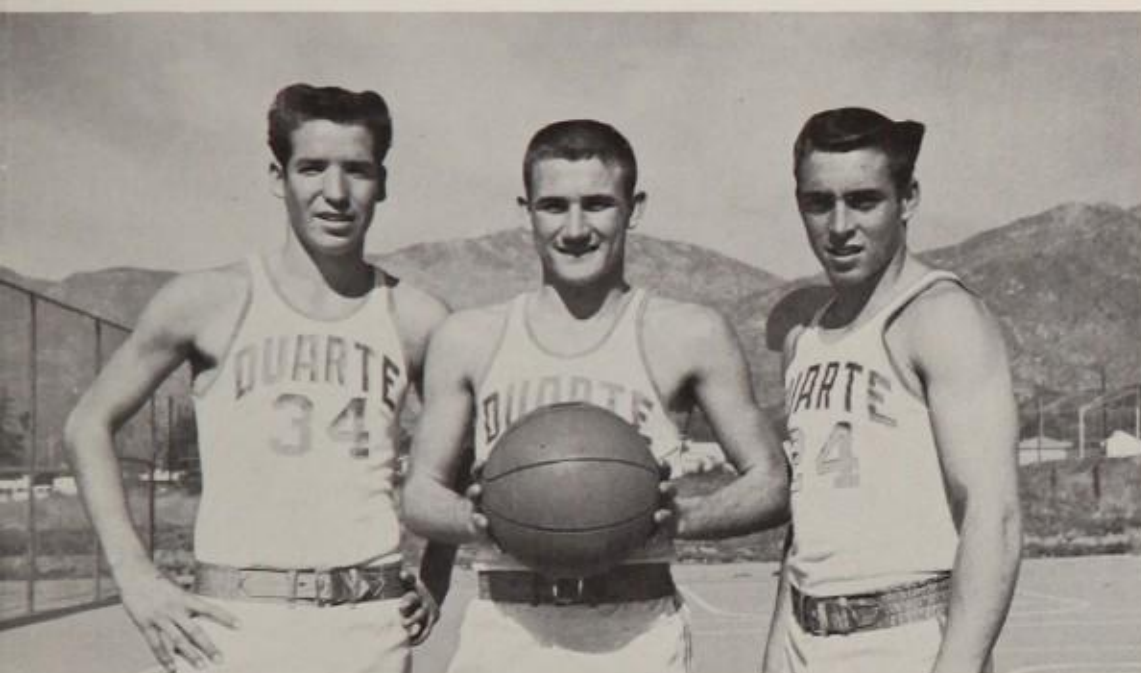

Larry Carey is shown fighting for the all important rebound and possession of the ball.

Ben Murphy, Bee Captain and All League Bee team member is shown with Co-Captains Howard Velasco and Jim Walters.

Bee Basketball

This season the Bee's showed real promise of bringing home the championship. They were in first place by the end of the first round of competition. But the second round was full of bad luck and poor shooting averages, the Bee's suffered the loss of the championship. Ben Murphy led the team with an average of over fourteen points per game. Also, Chuck Engleman set a new school record with thirty-two points against La Mirada. The boys worked hard and Coach Waterman was proud of their brilliant effort.

Coach Bassemier

Cee & Dee Basketball

The Cee and Dee teams are made up of the smaller boys usually of the lower classes, but they always put out a superb effort. The season started out with the Dee's in a four-way tie for the first place by the end of the first round. The Cee's didn't fare as well, and, due to lack of numbers for good workouts, they seemed to be in trouble. By the end of the season the Cee's came back to prove their ability to all who doubted it and they beat nearly every team they played. The Dee's ran into trouble, and due to some inexperience they were forced out of first place. Coach Bassemier worked the boys hard and they were a well-conditioned ball club. The high-point man for the Cee's was Fred Lopez, and the high scorers for the Dee's were Darrell Millner and Tom Grijalva. These boys will all return next year and will be much better off with this year's experience under their belts.

Coach Koerner

Tennis

This season we have a well-organized tennis team which, to date, has been doing very well. Coach Koerner has many returning lettermen and has been very pleased as far as the team's performance is concerned. The team has shown great potential and spirit and is expected to offer some good competition to other league teams. Duarte's tennis teams have been led by Buddy Reich and Gary Weinkauff in individual honors, while several others have shown rapid improvement. Both the Varsity and J.V. teams can be expected to place high in the Suburban League standings by the end of the season.

Coach Marcus

Swimming

This season saw Duarte's first swim team formed. The boys turned out with enthusiasm, and the daily practices were held at the Huntington Swim Club. Jim Marcus, director of the club and the boys' coach, was very pleased with their performance. Next year the entire squad is expected to return as there were no Seniors this year. Mr. Marcus is expecting a strong and spirited group next year in view of this year's experience.

Varsity Track

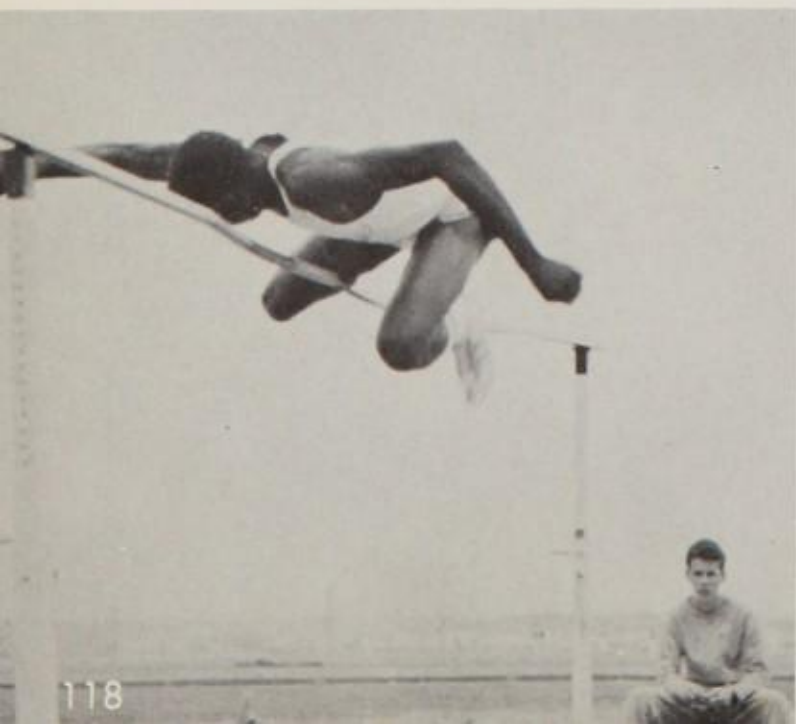

This season the Varsity track team is expected to make up for its lack of participation last year. We have fielded a complete team this year and are hoping to show the league we have talent. The Varsity is well-armed this year with good prospects such as Leodis McHenry in the high jump, and Bob Badgwell in the distance events. Rick Bellettini, Gary Forth and Jim Ford dominate the sprints, and Jim Walters shows up very well in the middle distance events. The team has done well with wins over Pioneer and Edgewood and a tie with Mayfair. Coaches Baldwin and Mac Adams have worked well with the teams this year building condition and form and this is expected to supply the additional push to give us a winning season.

Bob Badgwell is shown on third lap of his mile event. Bob has run a 4:37 mile this year.

Dennis Yelland and others combined their talents by serving
two teams. Here he wins the Varsity shot put.

Steve Rogers hands off to Tom Poindexter, and from
here the Varsity wins the 880 relay against Edgewood.

Bee Track

This season saw some of the fastest men in the school combined on one team. The Bee team didn't know what the word lose meant. They had the best chance of any Bee team to take the Suburban League Championship. The team showed real talent with Emilio Iglesias in the sprints, Robert Thomas in the hurdles, Billy Hale in the high jump, and Norm Anderson in the shot put. With this arsenal the team was expected to go right on to the league finals and even further. The boys were in top condition and knew they had to stay in that form in order to win the meets they wanted.

Ron Smith flies to win this event.

Norm Anderson shows power in the shot put.

Robert Thomas wins this 220 race by a nose.

Jim Knell wins the 1320 against Edgewood.

Lounsberry wins this race by a few yards.

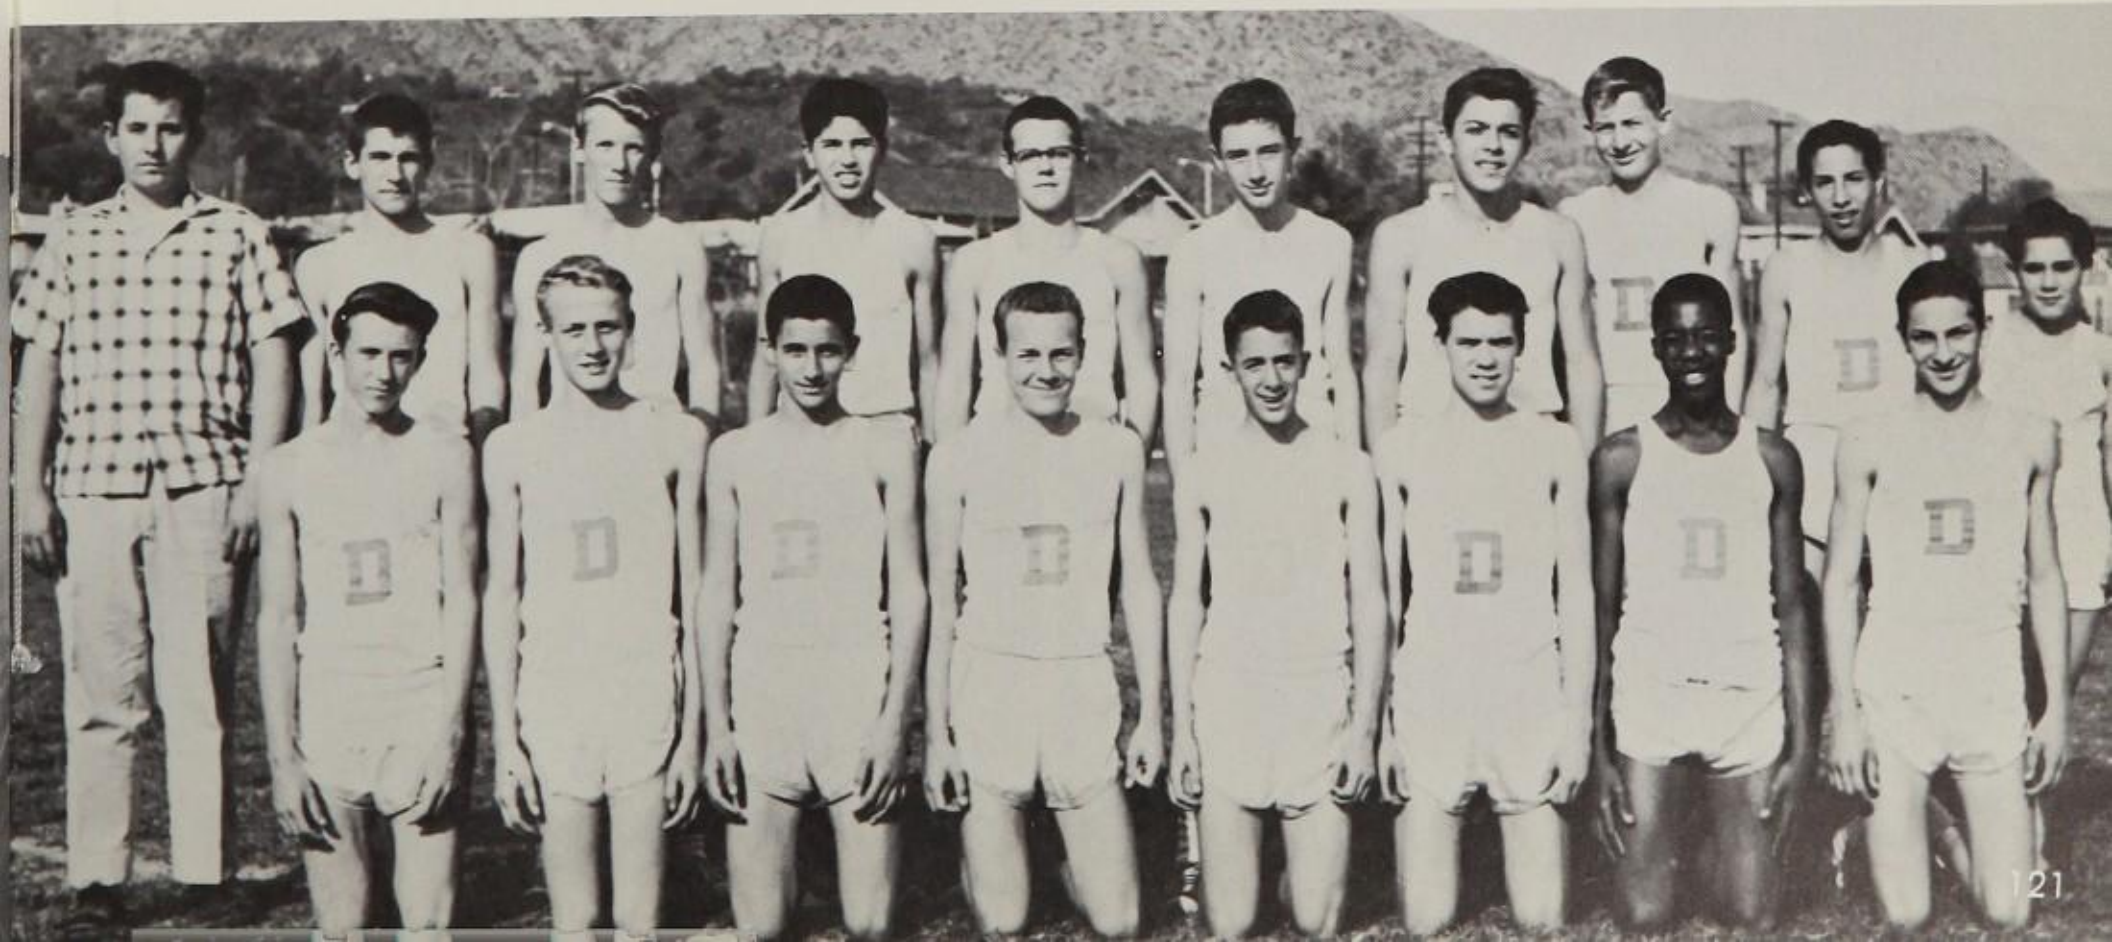

Cee Track

This year the Cee team had many outstanding members and much was expected from them. With talent in many events, these boys should go on to win many honors at the League finals. The sprints were dominated by Tom Poindexter who achieved four wins in one meet. The middle distance was handled by Bill Cockerham, and the hurdles were conquered by Steve Branson. The three track teams were coached by Mr. Baldwin and Mr. MacAdam, and between the two of them everyone was coached on the techniques involved in running a good race. The potential to win was shown in the Pioneer, Mayfair, and Edgewood meets which were completed by the date of publication.

Coach Williams

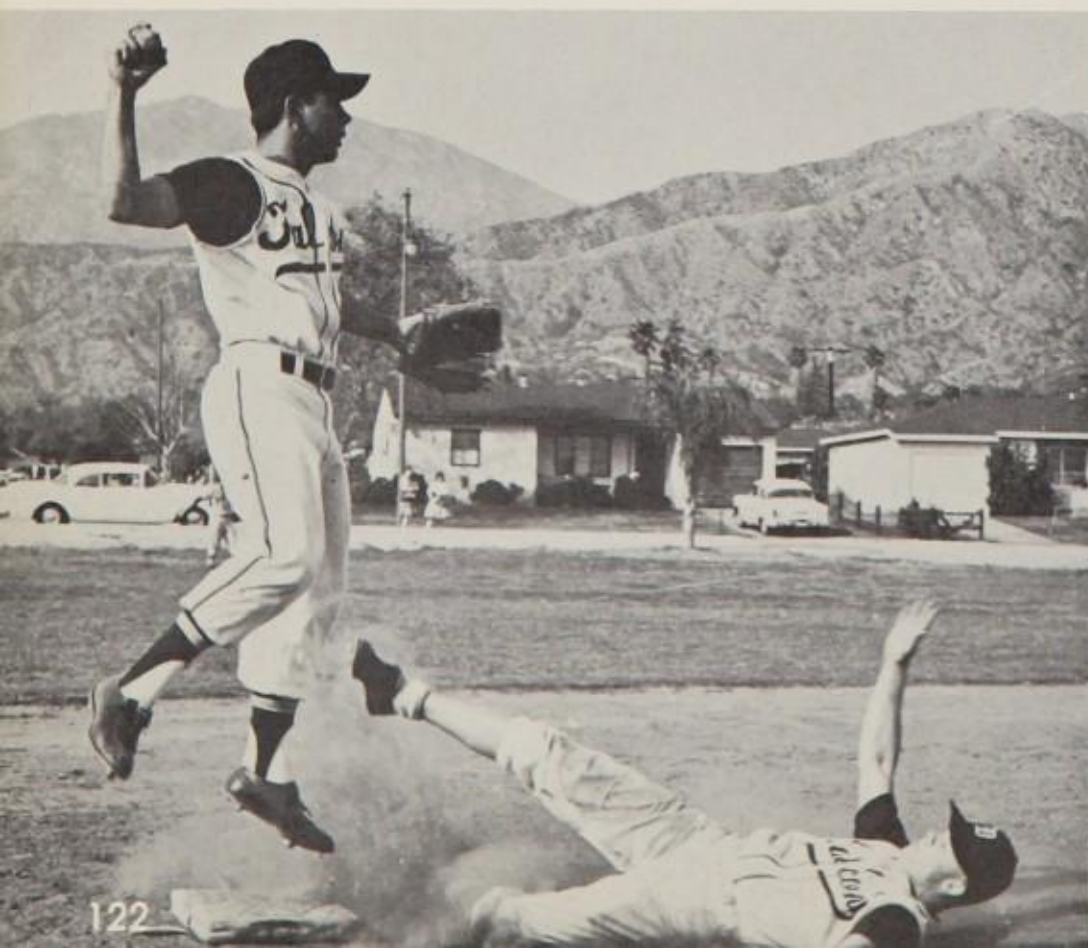

Varsity Baseball

This year saw the Varsity team out to make up for last year's record. The boys had both power in pitching and at the bat. In practice games Coach Williams was pleased with the team work and the fielding was improving. Captains John Lowry and Jimmy Herrera both had outstanding pre-season batting averages and were followed up very closely by many other members of the team. The pitchers included Howard Velasco, Larry Carey, and Tom Huntress. The team is hoping to place high in the Suburban League standings this season, and if pre-season performance means anything, they will do just that.

The Varsity played their home games at Monrovia Park. Here, the team watches action on the baseball diamond.

Jimmy Herrera tags the bag to force Ralph Jacoby out, then continues the double play.

J. V. Baseball

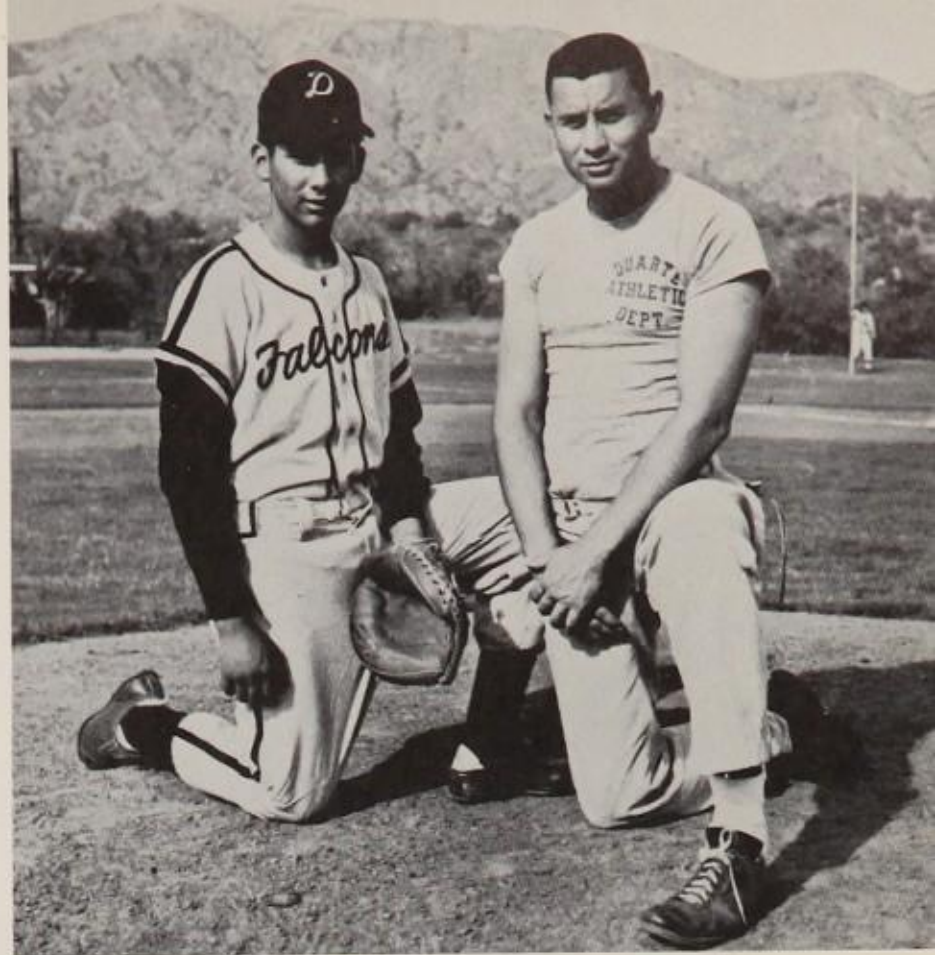

This year the Junior Varsity team is expected to repeat their championship of last year. The boys have worked together to put all their effort and spirit into retaining their title. With last year's record to live up to, these boys have come along very well. According to Coach Mills, the team was doing very well in pre-season games and had power at the bat, speed in pitching, and a good fielding average. League play lays ahead of them, and the team is expected to do an outstanding job all the way around.

Row 1: D. Oulton (Mgr.), G. Nucci, R. Thome, J. Kirk, J. Dillard, T. Grijalva, J. Fairbanks, D. Ibarra, B. Mulkey, J. Gila (Mgr.) Row 2: H. Rodriguez, J. Haynes, W. Trejo, E. Glowinski, C. Whiting, B. Parent, F. Lopez, R. Grijalva, R. Whitlinger, D. Stanton.

Frosh Baseball

This team is made up entirely of Freshmen athletes. The boys have never played high school baseball before and have great expectations in the league ahead of them. Many of the boys were in need of good coaching in their pitching and batting forms. Coach Butera has straightened out many of the rough spots and the team has had an outstanding pre-season record. The Frosh team has always done well in the past and this year doesn't appear to be any different. The team is full of spirit and hard work and ready to uphold the honor of playing or Duarte High.

Seniors We're Gold Seal Graduates

We wish to extend our heartiest congratulations to you who have maintained sufficient points from your grades for four out of six semesters in order to be able to graduate with this honor. Because our book went to press long before all the Gold Sealers were announced, we were unable to extend to you the proper recognition which we would desire. We are quite proud of you, our first Gold Sealers, and wish you continued success and achievement in college.

Below are pictured the other winners of scholastic and achievement awards for this year.

Here beside the mountains
Float our colors bright,
Turquoise of the sky serene
Capped with clouds of white.
These our colors, this our theme,
Now our voice we raise.
To Duarte High we sing
Everlasting praise.

Here within the valley
Stands our school today,
Symbol of the things we love
To guide us on our way.
These we hold in trust for you
Alma Mater, dear;
Honor, strength, and courage, too,
Loyalty sincere.

Valerie:
Luck in' laughter in everything you
do in the future. You deserve it!

To Val.

I wish that we could have gotten together to talk in the desert more. I hope you had fun. I really admire those grades in Biology too. I feel I should mention Barry, but I don't know in what connection.

I really think you're a very nice girl; everybody says it, but everybody means it, too. I do.

I hope you do as well in college as you did in high but I know you will.
Best wishes for a wonderful future
